Dear Falak Shah,

I appreciate the commendable work carried out through Sustainability Heroes in planting and sustaining approximately 2,300 trees across Mumbai. Your leadership in engaging students and communities for plantation drives demonstrates a strong commitment to civic responsibility and environmental sustainability.

I am keen to see your future plans in involving NGO's, other schools and organisations.

Your efforts have contributed significantly to enhancing Mumbai's green cover and promoting environmental awareness. I wish you continued success in your initiatives.

Warm regards,

Jeetendra Pardeshi
Superintendent of Gardens & Tree Officer
Brihanmumbai Municipal Corporation
